

*As a family we grow, learn and flourish together.*

## **Parent Code of Conduct**

Our school is committed to creating a safe, inclusive, and supportive environment for all students, staff, and families. This Parent Code of Conduct outlines the expected behaviours of parents/guardians to ensure the well-being of our school community.

### **1. Respectful Communication**

Speak respectfully to and about staff, other parents, and students at all times.

Use appropriate language and avoid aggressive, intimidating, or offensive behaviour.

Address concerns directly with the school staff through proper channels rather than in public forums or social media.

### **2. Partnership in Education**

Support your child's learning by ensuring regular attendance, punctuality, and engagement with school activities.

Reinforce the school's values, policies, and behavioural expectations at home.

Attend parent-teacher meetings and actively engage in your child's education.

### **3. Respect for the School Environment**

Treat school property, staff, and resources with care and respect.

Follow school procedures for visiting or accessing the school, including signing in at the office.

Ensure your child adheres to the school's dress code and brings required materials.

### **4. Appropriate Use of Social Media**

Refrain from posting negative or defamatory comments about the school, staff, students, or other parents on social media.

Use social media responsibly and maintain the privacy and confidentiality of the school community.

Direct any school-related concerns to the appropriate staff rather than airing grievances online.

### **5. Positive Role Modelling**

Demonstrate integrity, kindness, and patience in all interactions.

Avoid involvement in conflicts between children and allow school staff to manage student issues.

Encourage inclusion, empathy, and respect for diversity within the school community.

### **6. Addressing Concerns**

Raise concerns constructively and respectfully with the relevant staff member or the Head of School.

Follow the school's grievance or complaints procedure rather than approaching other parents or disrupting school activities.

Allow time for the school to investigate and respond to concerns appropriately.

### **7. Safety and Welfare**

Ensure the safety of all students by adhering to traffic, parking, and drop-off/pick-up policies.

Provide accurate and up-to-date emergency contact information.

Avoid engaging in or condoning bullying, harassment, or discrimination in any form.

### **Consequences for Breaching the Code of Conduct**

Parents who breach the Parent Code of Conduct may be subject to:

- A verbal or written warning.
- Restricted access to school premises or events.
- A meeting with school leadership to address concerns.
- Referral to external authorities if safety or legal issues arise.

By working together respectfully and collaboratively, we can create an environment where every child can flourish.

Thank you for your commitment to fostering a positive school community.
